### **Program for 4-year-olds and entering kindergartners:**

Children in this program learn beginning phonics and reading readiness skills, build comprehension, and develop an enduring love of books and reading.

### **Program for entering 1st graders:**

Success in first grade requires a strong foundation of reading skills and a high level of confidence. In this program, your child will learn phonics, build sight vocabulary, improve comprehension, and experience success with independent reading.

### **Program for entering 2nd graders:**

Students learn phonics and word-attack skills, build sight vocabulary, and improve fluency and comprehension. Your child will become a strong independent reader, build confidence, and develop a love of reading.

### **Program for entering 3rd graders:**

Students develop strong comprehension, and learn the long-word decoding and fluency skills required to read longer books with ease. Your child will become a more fluent, confident reader and enjoy reading more.

### **Program for entering 4th and 5th graders:**

In fourth and fifth grade, students must read more complex books with strong comprehension. Students in this program gain more than one grade level in comprehension, and increase fluency and speed. Your child will complete homework more quickly and easily, get better grades, and become fully absorbed in books.

### **Program for entering 6th-8th graders:**

Students in this program improve comprehension one to two grade levels while doubling reading speed. They also learn the best way to read textbooks, take notes, and study for tests. As a result, students complete homework more quickly and easily, get better grades, and enjoy reading more.

### **Program for entering 9th-11th graders:**

Students double reading speed, improve comprehension by one to two grade levels, and learn study skills. This program is excellent preparation for college.

## Teachers

Classes are taught by instructors from the Institute of Reading Development. Because the programs are offered at Carmichael Recreation and Park District, the tuition is only \$299, *less than half the cost of similar reading programs*. Please ask about our family discount.

## Exciting Results

“I would like to thank you for such a positive outcome with my son James. He learned skills that have translated into wonderful grades on his report card, and more importantly, have given him more confidence in his reading abilities. He has actually asked to go to the library to pick out a book!”

- Parent of 4th grader
