Program for entering 12th graders and college students

Double your reading speed in difficult material, triple your speed in easier material, improve your concentration and comprehension, and virtually eliminate re-reading. Learn the best strategies for reading, taking notes, and studying a variety of materials. You will get through difficult materials more quickly and easily, get better grades and test scores, and enjoy reading more.

Program for entering 9th-11th graders

Gain an important advantage in high school, be prepared for college, and get higher scores on college entrance exams. Double your reading speed, improve your concentration, and increase your comprehension one to two grade levels. Learn the most effective strategies for reading, taking notes, and studying for tests. You will complete textbook assignments quickly and easily, do better on tests, earn better grades, and get more out of what you read.

Program for entering 6th-8th graders

Finish homework quickly and easily, get better grades, and enjoy reading more. Increase your reading speed, improve your concentration, and build strong comprehension in both fiction and non-fiction. Learn the most effective strategies for reading, taking notes, and studying for tests. Our average student doubles reading speed while gaining one to two grade levels in reading comprehension.

Teachers

Classes are taught by instructors from the Institute of Reading Development. Because the programs are offered at Carmichael Recreation and Park District, the tuition is only \$299, *less than half the cost of similar reading programs*. Please ask about our family discount.

What Students Have to Say About the Programs

“Thanks for teaching me how to take notes and read faster! I will use what I learned in this class and take it with me even through college. This class was really effective, and fun.”

- Gabriella, 11th grader

“This class was really fun. I started reading faster after the first lesson! I used to not like to read because it was too time-consuming, but now it's easier to finish. Thanks.”

- Cindy, 7th grader

“My reading speed and comprehension have greatly increased. It is much easier for me to study and take notes in a timely fashion. I don't put off my studying until the last day now, because I know I can get through it fast.”

- Jason, 9th grader

“These skills help me to get through the massive amount of reading I do for my college coursework. I just wish I'd known about these classes when I started college three years ago! The teacher was great and I enjoyed the class.”

- Daniel, College Student
