# Welcome Neighbor!

Remember when you were a kid, the carefree afternoons, the barbecues with family and friends. Remember just being a kid?

Well, you can go back to a time less hectic, less antiseptic, where kids can be kids and adults can be assured of a safe, wholesome atmosphere - **Glen Oaks Swim and Tennis Club!** Located on over three secluded acres of mature trees, sparkling pools and five well maintained tennis courts, Glen Oaks is a member owned facility established over 55 years ago by parents wanting to provide a wonderful family memory for themselves and their children.

A place that the parents have a say in the purpose and direction of the facility.

Being at Glen Oaks is like going back in time. Kid's nights, social events, fun filled tennis events, a successful, professional swim team/program, nationally recognized tennis pro and junior tennis programs are just a few of the benefits of becoming a member.

Kids can be kids, parents can relax, and everyone can have fun!  
Please come by and visit.

This is not a program of the San Juan Unified School District and
