CLASS DESCRIPTIONS

All Classes For Ages 5-12 yrs.

Around the World in 5 Days - Grab your luggage and passports and let's hit the road! We will be exploring the cultures of many different countries from around the world. We will be playing great games, making neat crafts, and even sampling some unusual foods!

Pottery and Sculpture 1A– Get ready to make some really fun “hands on projects” that you get to take home. Let your imagination run wild and learn some great basic skills and techniques in this wonderfully creative class!

Pottery and Sculpture 1B– More time on the potter's wheel, more advanced projects, and tons of fun, what else could you want from an advanced pottery class?

Flag Football– Here is the opportunity for your child to learn the basics of a great American sport in a fun, safe, none threatening environment. At the end of the day we will join Extreme Water Games to cool off.

Under the Sea– Sharks, dolphins, starfish, and other mysterious water creatures await you. Learn about some amazing creatures while you make crafts and play some awesome games!

All Kinds of Arts and Crafts– We will be creating our own gadget boxes, custom wallets/coin purses, tie dying, etc... Many fun crafts await you.

Up, Up, and Away– 3,2,1...Blast off! If you like rockets, airplanes, helicopters and other things that fly, then you'll love this class. We'll learn the science behind things that fly. You'll even get to launch your very own rocket on the last day of class.

Extreme Water Games– When the day gets HOT the games get COOL! You'll have a splashing good time with some great new water games and some time tested favorites!

Magnetism and Electricity– Learn the science behind magnets and electricity. Apply what you learn to make some cool gadgets that you can take home, like a glowing orb!

WE HOPE TO SEE YOU THIS SUMMER!
