Recreational soccer: Is that soccer program that is primarily devoted to the enjoyment and development of soccer players without the emphasis on travel or high level competition. The purpose of recreational soccer is to provide an opportunity for the participants to have fun, learn the game and develop life skills including a life long love of the game.

A Recreational Player: is randomly assigned to a team without regard to his/her abilities and skills.

Recreational Team: teams formed randomly to play soccer inside our league, American River Youth Soccer League.

Soccer helps kids develop life skills...

- Working as part of a team
- Helps develop social skills and identity
- Learning how to cooperate and compete
- Learning to express their emotion appropriately
- Dealing with success and failure
